

Minimum Voting Rights Hurdle- Update to FAQ

25 October 2021

FTSE Russell would like to inform clients of an update to the Minimum Voting Rights Hurdle FAQ with immediate effect.

Further to the [announcement](#) on the index eligibility of companies with less than 5% of their voting rights in public hands and a five year grandfathering period afforded to index constituents as of 2017, FTSE Russell announces the publication of an updated [Minimum Voting Rights Hurdle FAQ v1.6](#).

The revised FAQ clarifies the treatment of grandfathered index constituents in the FTSE Global Equity Index Series (GEIS) and the Russell US Indexes. This information is detailed in question three, with an accompanying appendix listing the current FTSE GEIS and Russell US index constituents that are grandfathered.

An updated copy of the Minimum Voting Rights Hurdle FAQ (v1.6) is now available on the FTSE Russell website: www.ftserussell.com
