FTSE Russell Index Constituents Deleted for Failing Specific Eligibility Screens

September 2024 Index Review

05 September 2024

FTSE Russell would like to inform index users that the “*FTSE Russell index constituents deleted for failing specific eligibility screens*” document has been updated to reflect updates for the September 2024 index review.

The table below lists the index constituents and stocks that have met the market capitalisation and liquidity thresholds for index eligibility but have failed the respective eligibility screen noted in the table for the September 2024 index review. Consequently, these stocks will either be deleted from or not added to the respective indices effective from the open on Monday 23 September 2024.
