Neither FTSE nor any of its licensors makes any claim, prediction, warranty or representation whatsoever, expressly or impliedly, either as to the results to be obtained from the use of the index/indices set out above or the fitness or suitability of the index/indices for any particular purpose to which it might be put. Nothing in this factsheet constitutes financial or investment advice. FTSE is not an investment adviser and makes no representation regarding the advisability of investing in any security/investment vehicle. A decision to invest in any such security/investment vehicle should not be made in reliance on any information above. Indices cannot be invested in directly. Inclusion of a security in an index is not a recommendation to buy, sell or hold such security. Please see ftse.com for additional legal disclosures and complete index methodology details. All figures and graphical representations in this publication refer to past performance and are sourced by FTSE. Past performance is no guarantee of future results. Charts and graphs are provided for illustrative purposes only. Index returns shown do not represent the results of the actual trading of investable assets. Certain returns shown may reflect back-tested performance. All performance presented prior to the index inception date is back-tested performance. Back-tested performance is not actual performance, but is hypothetical. The back-test calculations are based on the same methodology that was in effect when the index was officially launched. However, back-tested data may reflect the application of the index methodology with the benefit of hindsight, and the historic calculations of an index may change from month to month based on revisions to the underlying economic data used in the calculation of the index.
