

# FTSE SET Index Series

Data as at: 31 March 2025

FTSE Group and the Stock Exchange of Thailand (SET) have jointly created the FTSE SET Index Series to provide investors with a comprehensive series of indices for accessing segments of Thailand's market. The index series adopts FTSE's global index standards such as size, free float weighting and liquidity screening, and offers local and international investors a range of benchmark and tradable indices for performance measurement, product creation and analysis.

The FTSE SET Large Cap Index is the flagship index of the series, capturing the largest, most liquid companies on the Thai market. The index series also includes size, sector, and Shariah-based indices.
