

FTSE China A50 Index

Data as at: 29 May 2026

The FTSE China A50 Index is a real-time tradable index comprising the 50 largest A Share companies. A Shares are securities of companies incorporated in mainland China that trade on the Shanghai or Shenzhen stock exchanges, quoted in Renminbi. The index offers the optimal balance between representativeness and tradability for China A Share market. The constituents are subject to foreign ownership limits (starting March 2022 index review) and must be eligible under the Northbound Stock Connect programme (starting June 2022 index review).

The index is distributed on an intra-second streaming basis, providing investors with the fastest and most up-to-date read of the China A Share market to respond more rapidly to market events.
