

FTSE EPRA Nareit US Dividend+ Index

Data as at: 29 July 2022

The FTSE EPRA Nareit Global Real Estate Index Series is designed to represent general trends in eligible real estate equities worldwide. Relevant activities are defined as the ownership, trading and development of income-producing real estate. The index series now covers Global, Developed and Emerging indices, as well the UK's AIM market.

The FTSE EPRA Nareit US Dividend+ Index represents stocks that have a one-year forecast dividend yield of 2% or greater. The index is then weighted by market capitalisation in line with the free-float adjusted EPRA Nareit United States Index. The FTSE EPRA Nareit US Dividend+ Index is suitable for use as the basis for investment products, such as derivatives and Exchange Traded Funds (ETFs).

FEATURES

Coverage

The index is a subset of the FTSE EPRA Nareit United States Index that incorporates Real Estate Investment Trusts (REITs) and Real Estate Holding & Development companies.

Methodology

Captures stocks that have a forecasted dividend yield of equal/greater than 2%.

Diversified Investment Opportunities

The index series provides investors with the diversification that real estate offers due to its low correlation with other asset classes, along with sufficient liquidity.

Objective

The index is designed for use in the creation of index tracking funds, derivatives and as a performance benchmark.

Investability

Stocks are selected and weighted to ensure that the index is investable.

Liquidity

Stocks are screened to ensure that the index is tradable.

Transparency

The index uses a transparent, rules-based construction process. Index Methodologies are freely available on the FTSE Russell website.

Availability

The index is calculated based on price and total return methodologies, both real time and end-of-day. A Net Total Return index is also available.

Property Sector Classification

Constituents are classified into distinct Property Sectors based on gross invested book assets as disclosed in the latest published financial statement.
