FTSE Bursa Malaysia Hijrah Shariah Index Screening Methodology

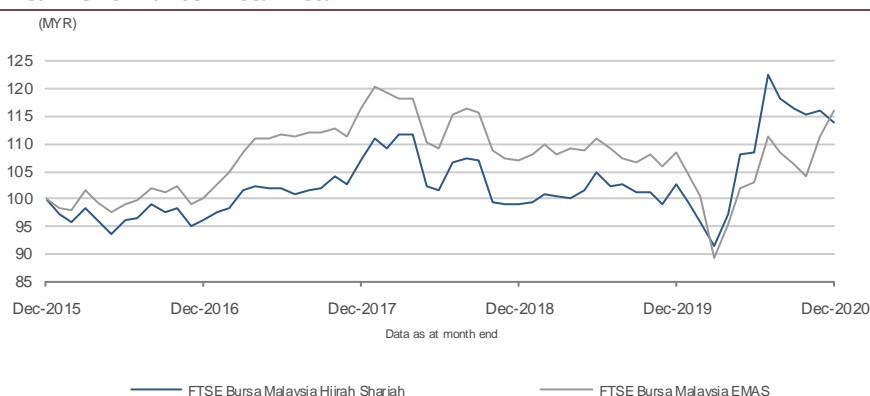

Constituents in the index are not permitted to be involved in any of the following core activities: banking or any other interest-related activity, such as lender and brokerages, but excluding Islamic financial institutions; alcohol; tobacco; gaming; arms manufacturing; life insurance; and, pork and non-halal production, packaging and processing or any other activity related to pork and non-halal food.

Companies that meet the following criteria, which are assessed under Shariah principles and commonly accepted philosophies, are also excluded from the index:
