

# FTSE North America Dividend Growth Index

Data as at: 31 January 2025

The FTSE North America Dividend Growth Index represents the performance of large and mid-cap companies from Developed and Emerging markets, which have successfully maintained or increased their dividend payments over a period of five years.

The FTSE North America Dividend Growth Index is part of the FTSE Global Dividend Growth Index Series, which is constructed based on the FTSE All-World Index. Stocks with zero annual dividend per share through the last fiscal years prior to the cut-off date are excluded. Stocks that do not have data to calculate five years of annual dividend per share change are also excluded. Please see the index Ground Rules for more information.
