

FTSE UK Domestic Investment-Grade Bond Index

Multi-Sector | UK Sterling

The FTSE UK Domestic Investment-Grade Bond Index (UKDIGBI) is a multi-sector benchmark tracking government, government-sponsored, collateralized, and corporate bonds, denominated in UK Sterling (GBP), irrespective of market of issue. The UKDIGBI uses the same design criteria and calculation assumptions as the FTSE UK Broad Investment-Grade Bond Index (UKBIG), but with a lower minimum amount outstanding threshold for all bonds other than sovereign bonds. This provides a broader capture of the domestic UK bond market. Sub-indices are available in any combination of asset class, maturity and rating.
