## Minimum Voting Rights Hurdle - Update to FAQ

30 October 2023

---

FTSE Russell would like to inform clients of an update to the Minimum Voting Rights Hurdle FAQ with immediate effect.

Question 7 of the FAQ has been updated as shown below.

Will FTSE Russell publish a list of companies impacted by this rule?

In conjunction with the annual voting rights' review of existing constituents in June, a list will be published, which will detail all constituents of the FTSE GEIS Developed Total Cap, and Russell 3000E indices that have voting rights of 25% or less in public hands. This list will also include companies which have been (or are scheduled to be) deleted from the aforementioned indices due to failing the voting rights' requirement. The updated list will be published shortly after the publication of the indicative reconstitution and review files.

The current list can be found using the FTSE Russell website ([www.ftserussell.com/products/index-notices/home/getnotices/all](http://www.ftserussell.com/products/index-notices/home/getnotices/all)) and searching for minimum voting rights hurdle).

An updated copy of the Minimum Voting Rights Hurdle FAQ (v2.1) is now available on the FTSE Russell website: [www.lseg.com/en/ftse-russell/](http://www.lseg.com/en/ftse-russell/)
