

FTSE4Good Index Series Ground Rules: Update

29 August 2025

FTSE Russell would like to inform index users that the FTSE4Good Index Series Ground Rules have been updated, effective immediately.

Section 8

8.2 The rule has been updated (in italic):

Index reviews will use FTSE ESG data based on a company's Annual Report and Sustainability Report, or Integrated report, published by the last business day of March (for the June Review) and September (for the December Review). *The following rules apply to data collection:*

- *A company's Annual Report, Sustainability Report and other ESG information (with the exception of CDP reports) needs to be published with the same fiscal year for an ESG score to be updated ahead of an index review.*
- *If a company reports to CDP and marks their report as public to CDP, and if the report pertaining to the same fiscal year has not been made available to FTSE Russell, the previous fiscal year's report will be used.*
