

FTSE UK Index Series - Ground Rule Update

02 December 2020

FTSE Russell would like to inform clients that the FTSE UK Index Series Ground Rules have now been updated to reflect the change announced on 1 October 2020 that reserve lists would be removed from the FTSE 100 and FTSE 250 Index Series effective from the close of Wednesday 2 December 2020.

Reserve lists for the FTSE 100 Index and the FTSE 250 Index will no longer be published or utilized in order to select a replacement company triggered by intra-quarter deletions. Instead, replacement companies to the FTSE 100 and FTSE 250 will be selected by ranking the existing constituents of the FTSE All-Share index - with the highest-ranking company not included within the applicable index serving as the replacement.
