

## **Kingsgate Consolidated (Australia): Stock Suspension Update Treatment in FTSE Indices**

**02 September 2016**

---

Further to the notice issued on 04 August 2016 regarding the suspension of Kingsgate Consolidated (Australia, 6492731), it remains suspended pending an announcement regarding the renewal of the metallurgical operations licence in Thailand.

As Kingsgate Consolidated shares continue to be suspended, and as no firm date has been provided by the company for the resumption of trading, Kingsgate Consolidated is expected to be deleted from FTSE indices at the December review effective Monday 19 December 2016.

In the event that Kingsgate Consolidated resumes trading before the Wednesday before the first Friday of December (i.e. 30 November 2016), the deletion notice will be rescinded and Kingsgate Consolidated will be retained in the index.

In the event that Kingsgate Consolidated resumes trading on or after 30 November 2016 but before 19 December 2016, Kingsgate Consolidated will continue to be removed from the index but it may instead be implemented at market price.

FTSE will issue a further notice confirming the index treatment details in due course.
