

QAMCO (Qatar): IPO

Informative Notice - Update

07 December 2018

Further to the "Qatalum (Qatar): IPO - Informative Notice - Update" notification released on 04 December 2018 (<https://www.ftse.com/products/index-notices/home/getnotice/?id=2591057>) and following the latest announcement from the Qatar Stock Exchange, please see the revised name (previously Qatalum) and the first date of unconditional trading below.

If QAMCO meets the FTSE Global Equity Index Series fast entry thresholds based on its closing price on the first day of unconditional trading (now expected to be on Sunday 16 December 2018), then QAMCO will be added to the index in conjunction with the December 2018 quarterly review i.e effective from the open on Monday 24 December 2018.

In accordance with the FTSE Global Equity Index Series Ground Rule 8.1.3 A, if fast entry to the FTSE Global Equity Index Series is confirmed, the addition of the IPO stock is implemented after the close of business on the fifth day of trading. However since the forthcoming review effective date occurs on Monday 24 December 2018, FTSE Russell intends to include QAMCO in conjunction with the index review, i.e. effective after close of business on Thursday 20 December 2018 (i.e. effective from the open Monday 24 December 2018), in accordance with the caveat provided in Ground Rule 8.1.3 A.

The current fast entry threshold for FTSE Middle East & Africa is USD 1.542bn (Full Market Cap) and USD 514.04m (Investible Market Cap).

FTSE Russell will issue a further notice to confirm details after close Monday 17 December 2018.
