

TechnipFMC (France): Nationality Change

Informative Notice

13 January 2022

FTSE Russell notes the announcement by TechnipFMC (France, BYW2H44, GEIS Mid Cap) relating to the voluntary delisting of its shares from Euronext Paris. The company will remain listed on the New York Stock Exchange, where shareholders will be able to trade their existing shares. Concurrent with the delisting, TechnipFMC will be reassigned a FTSE nationality of USA and placed within the appropriate indices.

Based on the current timetable, FTSE Russell anticipates the following index treatment.

Thursday 17 February 2022:

The last of trading in TechnipFMC on Euronext Paris.

Friday 18 February 2022 (from market open):

TechnipFMC will effect a nationality change from France to USA within the Global Equity Index Series (and associated indices). Based on the market capitalisation, FTSE Russell has determined TechnipFMC sits below the Mid Cap exclusion threshold for the North America region of GEIS. Therefore the company will be transferred to the GEIS Small Cap USA Index. The index changes will be implemented using the previous day close price from Euronext Paris, converted using the 4pm WM rate (i.e. the addition to USA will equate to the France close).

FTSE Russell will issue further notices in due course.
