\* The number of shares and investability weighting change is based on the unbundling terms of 0.13751 Ninety One Ltd shares for each Investec Ltd share, and 0.13751 Ninety One Ltd shares for each Investec Plc share.

The unbundling has been applied as a neutral event within the common index memberships, therefore the investability weight for Ninety One Ltd will temporarily differ between the FTSE/JSE All Share and Shareholder Weighted Indices, and will be re-aligned as of the June review date (effective from 20 June 2022). The review ranking will be conducted using the review investability weighting and using an adjusted price due to the unbundling.

**Please note:** The date for the distribution line removal, and investability weight increase, is based on the settlement date of the unbundling being Tuesday 31 May 2022.

## Effective Thursday 26 May 2022:

A capital repayment will be applied to Investec Ltd and Investec Plc to reflect the value of the unbundling, which is represented by the distribution line, added with an ICB classification of 30101010 (Banks).
