Malaysia Airports (Malaysia): Tender Offer - Informative Notice

21 January 2025

Gateway Development Alliance Sdn Bhd, Pantai Panorama Sdn Bhd, Kwasa Aktif Sdn Bhd and Gip Aurea Pte. Ltd. (collectively, the "joint offerors") has launched a conditional voluntary cash tender offer to acquire all the issued shares of Malaysia Airports (Malaysia, GEIS Mid Cap, FTSE Bursa Malaysia Mid 70 Index, 6188193) which they do not already own. Malaysia Airports shareholders who accept the tender offer will receive 11 MYR for every Malaysia Airports share held. Currently the tender offer has not been declared unconditional and is scheduled to be closed on 4 February 2025.

In the event that the tender offer becomes unconditional before the close of the tender offer and not yet reached 90% acceptance level, in conjunction with section 4.12 Target company free float change in [Corporate Actions and Events Guide for Market Capitalisation Weighted Indices](#), FTSE Russell expects to implement a free float change based on the reported acceptance results with T+2 notice.

In the event that the tender offer becomes unconditional and a minimum 90% acceptance level is achieved, FTSE Russell expects to remove Malaysia Airports from the FTSE Russell indexes at market price with T+2 notice.

In the event that the tender offer becomes unconditional and is closed with less than 90% acceptances, FTSE Russell expects to decrease the free float of Malaysia Airports with T+2 notice, in accordance with the offer results.

FTSE Russell will issue a further notice to confirm the expected index treatment with timetable in due course.
