Administradora Fibra Danhos (Mexico): September 2025 Index Review Treatment

10 September 2025

Further to the [Administradora Fibra Danhos \(Mexico\): Investability Weight Treatment](#) notification published on 02 June 2025, FTSE Russell announces that Administradora Fibra Danhos (Mexico, BFN0V08) will be retained in the FTSE Global Equity Index Series (GEIS) as a Mexico Mid Cap index constituent with an increased investability weight from 15.6% to 55%, effective from the open on Monday 22 September 2025. This is following confirmation that Fibra Danhos passes the FTSE GEIS liquidity screen based on the aggregated volume data sourced from the Bolsa Mexicana de Valores and the Bolsa Institucional de Valores (BIVA) stock exchanges in accordance with the [FTSE Global Equity Index Series Guide to Calculation Method for the Median Liquidity Test](#) guidelines.

The increase in investability weight for Fibra Danhos from 15.6% to 55%, effective from the open on Monday 22 September 2025 will be reflected in the FTSE GEIS indicative review product files published after the close on Wednesday 10 September 2025.
