

## Suspended Companies - Quarterly Deletion September 2019

23 August 2019

---

FTSE Russell announces the quarterly deletions due to prolonged suspensions. In conjunction with Section 4.18 Suspended Companies in the FTSE Russell Corporate Actions and Events Guide, if the suspension period reaches 60 business days, the constituent will be removed from the index at zero value at the next index review, subject to the 60th business day of suspension falling on or before the Friday four weeks prior to the index review implementation date.

Subject to the trading status of the affected constituents, FTSE Russell will apply the following treatment:

- 1) If a suspended company resumes trading in advance of the index review lock-down period (i.e. on or before 6 September 2019), the deletion notice will be rescinded and will be retained in the index.
- 2) If a suspended company resumes trading after 6 September 2019 but before 23 September 2019, it will continue to be removed from the index effective 23 September 2019, it will be removed at market price.
- 3) If the company continues to be suspended, it will be deleted from the index at zero value effective 23 September 2019.

List of affected constituents can be accessed via the attachment below.
