

## FTSE MIB Quarterly Rebalancing Changes

16 September 2019

---

FTSE announces the new shares number and Investability Weighting Factors for the FTSE MIB Index effective after the close of business on Friday, 20 September 2019, i.e. on Monday, 23 September 2019.

According to the FTSE MIB Ground Rules art. 7.4 and Appendix C, FTSE publishes share in issue & IWF figures updated at the cut-off date, where needed adjusted for capping based on capitalisation calculated with closing prices of five trading days before the rebalancing.

The share in issue figure excludes all treasury shares and the Investability Weighting is computed with reference to shares in issue net of treasury shares.

The new index divisor will be published after close of business on Friday, 20 September 2019.

## FTSE MIB Ribilanciamento trimestrale

16 settembre 2019

---

FTSE comunica il nuovo numero di azioni e i pesi di investibilità per l'Indice FTSE MIB che saranno effettivi dopo la chiusura delle contrattazioni di venerdì 20 settembre 2019 (vale a dire da lunedì 23 settembre 2019).

Secondo le Regole di base del FTSE MIB art. 7.4 e l'Appendice C, sono indicati i valori del numero di azioni e peso di investibilità aggiornati alla data del cut-off, eventualmente soggetti alla correzione del capping applicata con riferimento alle capitalizzazioni calcolate con i prezzi di chiusura di cinque giorni di negoziazione prima della data di ribilanciamento.

Il numero di azioni esclude tutte le azioni proprie e la percentuale di flottante è calcolata con riferimento al numero di azioni al netto delle azioni proprie.

Il nuovo divisor per il FTSE MIB sarà reso disponibile dopo la chiusura delle contrattazioni di venerdì 20 settembre 2019.
