These nationality changes will become effective after the close of business on Friday, 18 September 2020 (i.e. taking effect from on Monday, 21 September 2020).

Please note: Changes resulting from the [annual review of the Chinese Share Classes](#) were published after close of business on Monday 10 August 2020.

Potential inclusion to the FTSE Global Equity Index Series will be subject to the security passing all other index eligibility criteria (including minimum liquidity requirements) as detailed in the FTSE Global Equity Index Series ground rules. Index entry will be confirmed within the periodic index review notices announcing constituent changes.

(Where a company has been identified as failing the initial security eligibility criteria, such as being assigned an ICB classification which is ineligible for the FTSE Global Equity Index Series, then it will be flagged as ineligible within the above table and will not be considered for index inclusion)
