

BATM Advanced Communications (UK, 0911146) Nationality Review of Companies - Update

11 February 2021

Further to the [FTSE Nationality Review of Companies](#) announcement on 04 February 2021, FTSE Russell notes the publication of the [notice](#) by BATM Advanced Communications (BATM) on 11 February 2021 which expresses their commitment to retaining a UK nationality assignment with its associated inclusion to the FTSE UK Index series, by reviewing the available options open to the company to facilitate this objective.

Accordingly, FTSE Russell has determined to postpone the evaluation of the company's nationality for a period of up to 12 months whilst this review is underway, to avoid unnecessary turnover within the FTSE UK Index series.

For the avoidance of doubt, BATM Advanced Communications continued inclusion within the FTSE UK Index series and associated indexes is contingent on continuing to satisfy all other inclusion criteria.
