

## FTSE Nationality Review of Companies

04 May 2021

FTSE Russell announces the following nationality assignments in accordance with the FTSE Nationality Rules:

Company	Sedol	Assigned Nationality for FTSE Global Equity Index Series	Assigned Nationality for FTSE UK Index Series
Foresight Group Holdings	BMD8MJ7	UK	UK
Grit Real Estate Income Group	BMDHST6	UK	UK

**Please note:** The above table confirms nationality assignment only. Potential inclusion to the FTSE Global Equity Index Series or the FTSE UK Index Series will be subject to the security passing all other index eligibility criteria (including minimum liquidity requirements) as detailed in the respective ground rules. Index entry will be confirmed within the periodic index review notices announcing constituent changes.

However where a company has been identified as failing the initial security eligibility criteria, such as not meeting the premium listing requirement for the FTSE UK Index Series or being assigned an ICB classification which is ineligible for the FTSE Global Equity Index Series, then it will be flagged as ineligible within the above table and will not be considered for index inclusion.
