

FTSE Equity Country Classification Process Enhancement

02 July 2021

Following a review of the FTSE Equity Country Classification process, FTSE Russell announces the introduction of a new 'Tax' criterion to the FTSE Equity Country Classification process with markets being evaluated against the new criterion as part of the FTSE Equity Country Classification September 2021 Annual Review of markets.

Full details of the enhancement are available via the following link: [FTSE Equity Country Classification Process Enhancements](#)

Further details on the FTSE Equity Country Classification process and the updated Minimum Investable Market Capitalisation threshold as of 30 June 2021 against which markets will be assessed as part of the FTSE Equity Country Classification September 2021 Annual Review of markets are available via the following link: [FTSE Equity Country Classification Paper](#)
