

FTSE China A50 Index Rule Updates – Indicative Impact

05 May 2022

Further to the [FTSE China A50 Index - Ground Rule Update](#) notice published on 03 March 2022, please find the indicative impact below:

Consequent to the FTSE China A50 Index moving the selection universe from the FTSE China A All Cap Free Index to the FTSE China A All Cap Index, **Gree Electric Appliances Inc of Zhuhai (A) (6990257)** and **PetroChina (A) (B28SLD9)** are expected to be removed from the FTSE China A50 Index at the June 2022 quarterly rebalance.

Additionally, FTSE Russell does not anticipate that any existing constituents of the FTSE China A50 index will be affected by the index only including stocks which are available on the Northbound Stock Connect Buy-and-Sell list, at the June 2022 quarterly rebalance.

The confirmed impact will be announced in conjunction with the FTSE China A50 Index quarterly review announcement, scheduled for 01 June 2022.

Product files confirming the constituent changes resulting from the rule updates as well as other quarterly review changes will be available from 01 June 2022 onwards, and will take effect from the open on 20 June 2022.
