

JX Advanced Metals (Japan): IPO - Informative Notice

13 March 2025

In relation to the initial public offering for JX Advanced Metals (Japan, 6543770), FTSE Russell will confirm if the fast entry threshold for inclusion in the FTSE Global Equity Index Series is met based on its closing price on the first day of trading, currently expected to be on Wednesday 19 March 2025.

If fast entry to the FTSE Global Equity Index Series is confirmed, inclusion will occur after the close of business on the fifth day of trading, i.e. effective after the close of business on Wednesday 26 March 2025, (i.e. effective from Thursday 27 March 2025).

The current fast entry threshold for FTSE Japan is USD 3,552.26 Mn (Full Market Cap) and USD 1,184.09 Mn (Investable Market Cap).

Please note that shares that are available to domestic retail investors only, are removed from the free float for the purposes of fast entry evaluation. In the absence of confirmation on the number of offer shares allocated to domestic retail and to domestic institutional investors for Japanese stocks IPO, the free float for the purposes of fast entry evaluation is based on the offering shares allocated to overseas investors only, i.e. 160,480,200 for JX Advanced Metals.

If the thresholds are met on the first day of trading, FTSE Russell will issue a further notice to confirm index inclusions after the close on the first day of trading, i.e. Wednesday 19 March 2025.
